Society Aims

Careers

Climb onto the career ladder in Real Estate

To act as a channel for members to be informed of various future entrepreneurial, career and professional opportunities in the real estate industry.

Knowledge

Provide talks on the industry for beginners to experts

To allow members to explore and deepen their knowledge and understanding into the interdependent fields of the real estate industry.

Networking

Events with industry experts and fellow colleagues

To provide a platform for members to share and exchange ideas, aspirations and interests with other like-minded peers and professionals in relation to the real estate and property industry.

Events planned for next year 2018-2019

- Fresher's fair – expect to grow membership by 100
- Welcome social and Treasure Hunt, which received excellent feedback
- Construction visit with LendLease
- Careers in property panel
- Annual Event with Directors of KCL Estates
- Property Start-ups event (in collaboration with entrepreneurship institute)
- Property law event in collaboration with law society
